Terms and conditions: The original order form or a copy of it must be supplied to Bateleur Booksellers. Please double check that all the pages reach Bateleur Booksellers. If the order form is not clear, adjustments regarding the number of books/stationery will be made by Bateleur Booksellers by using the total rand amount indicated on the form by the scholar/parent, and accepting it as correct. Books marked with an X are new books for 2012 that were not used in 2011. This includes new editions that may have the same title as the 2011 book. It is very important that the admission number of the scholar (available on reports/statements), as indicated on the order form, should correlate with the reference number on the proof of payment (deposit slip, EFT, back of cheque). Mistakes and corrections must be brought to the attention of Bateleur Booksellers within the first week of delivery, in writing, either by email (jarras10@gmail.com), fax (051 5229507), or personally to Johan van Jaarsveld(0824191107).
